HEALTHCARE

**GROUP FOUR**  
FURNITURE

# INSTALLATIONS

*Group Four's Tom beam-mounted seating was chosen for the public waiting areas throughout the Thunder Bay Regional Health Sciences Centre in Thunder Bay, Ontario, providing easily maintained and comfortable seating for these high traffic areas*

*All steel components, except the chrome die-cast feet, were finished in durable light gray powder epoxy to provide a unifying color theme, with a variety of upholstery patterns and colors used to differentiate various areas. The upholstery covers are zipper-closed for easy maintenance so the seats can be kept in a clean and sanitary condition.*

**Designed by Group Four
