# LOUNGE SEATING

*Continuum features a continuous, 1-1/2 inch steel tube frame finished in epoxy or chrome. Seats are zippered slipcovers over moulded foam with steel tube inner frames, and are available as one piece, or with separate seat and back.*

*The Continuum line includes occasional tables, and complementary upholstered benches are available. A two-piece ganging glide may be used to secure components in groupings. Continuum is also offered as a continuous link seating system.*
